Sweet butter can't be made in a som Sweet butter can't be made in a sour churn. The stomach is a churn. A foul stomach fouls the food put into it. When the food is fouled the blood made from it is fouled also. Foul blood means disease. Cleanse the churn and you have sweet butter. Cleanse the stomach and you have pure blood. "Dr. Picrce's Golden Medical Discovery has
proved a great blessing to me," writes Mra.
Ellen E. Bacon, of Shutesbury, Franklin Co.,
Mass. "Prior to September, 189," I had doctored
for my stomach tree-lie for several years, going
through "ares of treatment without any real
benefit. In September, 1896, I had very sick
spells and grew worse; could eat but little. I
commenced to take Dr. Pierce's medicine and
in a short time I could eat and work. I have
gained twenty pounds in two months." Dr. Pierce's Common Sense Medical

COUNTERFEITERS' DEN.

The authorities in Winchester are endeavoring to locate a mysterious cave stuated somewhere in North Frederick county, in. which they expect to find a gang of counterfeiters who have been flooding Winebester with spurious silver dollars, halves and quarters. The location of the cave will clear up a mystery of 40 years, and will reveal a place from which many fascinating stories have emenated. The cave is believed to exist somewhere between Big Sandy Ridge and Little North

Mountain, near Shockeysville. It was discovered a number of years ago by two brothers in a wild mountain region. There they found a valuable vein of sliver, and for a number of years they manufactured counterfeit money on a large scale, getting rid of their output in Cumberland, Md., and in Winchester. Finally they were detected, and one brother was sent to the penitentisry from Cumberland, while the other was liberated in Winch's er. Although they never returned to their den, the secret of its location was never made known until the surviving brother on his It was discovered a number of years until the surviving brother on his deathbed revealed it to a man.

deathbed revealed it to a man.

The man to whom the secret was revealed took up counterfeiting in the silver cave until he was caught passing lead money. He was given four years in the penitentiary, and was liberated about nine montts ago. All of the counterfeit money now being offered in Winchester is tendered by people living near Shockeysville, and it is thought that a gang is at work in the old cave again and passing their output on the people of that section.

GOV. CANDLER'S REPLY .- Gov. Candler, of Georgia, published a statement on Tuesday afternoon, in which he dison Tuesday afternoon, in which he dis-claims any intention to condemn any member of the Orden party. Referring to those that criticised his course, he says: "They are the lineal descendants of those who, fleeing from the Old World to enjoy religious freedom in the New, called a sort of town meeting in the little boat in which they sailed, the day before they landed, and passed a the little boat in which they sailed, the not drying-does not produce sneezing. FOR OVER FIFTY YEARS.

AN OLD AND WELL-TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children in the street of the street they have busied themselves to attend-

ing too toe people's business.

"This is the peculiar characteristic by which this breed, which accords to everyone the right to think for himself —provided be thinks as they do—may always be known. They (but nobody else, north or south) will denounce me as Bourbon and a biackguard for what as Bourbon and a bisckguard for what I have said about them, for the truth hurts. They will dissort it and torture it into an attack on Dr. Parkhurst and his party and upon all the people of the north. This is the way this breed always does. But the charge will be basely false."

A Sprained Ankle Quickly Cured. "At one time I suffered from a severe sprain of the ankle," says Geo. E. Cary, editor of the Guide, Washington, Va. 'A'ter using several well recommended medicines without success, I tried Chamberlain's Pain Balm, and am pleased to say that relief came as soon as I began its use, and a complete cure speedily followed. This remedy has also been used in my femily for frost bitten feet with the bs; results. I cheerfully recommend its use to all who may need a first-class liniment." Sold by Richard Gibson, druggist.

To accommodate those who are partial to the use of atom zers in applying liquids into the nasal passages for cataer hal troubles, the proprietors prepare Cresm Balm in liquid form, which will be known as Ely's Liquid Cresm Balm. Price, including the spraying tabe, 75 cts. Drugsists or by mail. The liquid form embodies the medicinal properties of the solid preparation. Cresm Balm is quickly absorbed by the membrane and does not dry up the recretions, but changes them to a natural and healthy character. Ely Brethers, 56 Warren street, New York.

"Our little girl was unconscious from strangulation during a sudden attack of croup. I quickly secured a bottle of One Minute Cough Cure, giving her three doses. The croup was mastered and our little darling speedily recovered." So writes A. L. Spafford, Chester, Mich.
